

THE EUROPEAN SERVICE

WHAT IS IT?

- Library of 80+ regularly updated research reports
- More than 5,500 pages of data, analysis, discussion and forecasts
- Plus monthly market reports
- Equipment analyses
- Company profiles
- Country analysis
- Researched & written by industry experts

WHY SUBSCRIBE?

- Gain a deep understanding of market structure, trends and drivers
- Benefit from reports which are recognised for quality, thoroughness, attention to detail, rigorous analysis and accuracy
- Build your strategies based on expert insights and fact-based independent primary research

THE EUROPEAN SERVICE

An annual subscription to Off-Highway Research's European Service unlocks access to our library of more than 80 regularly updated equipment analyses, company profiles and country analyses, plus monthly market reports containing news and analysis. This puts more than 5,500 pages of data and expert analysis at your disposal. All reports are accessed in PDF format via Off-Highway Research's online portal and include embedded Excel files, which allow for easy extraction of data for further analysis. The service comprises:

EQUIPMENT ANALYSES

Rigorous analysis of the structure, demand and trends for a single product. Typical coverage includes:

- Economic background
- Market size and trends
- Domestic production
- Component sourcing
- Foreign trade
- Market shares
- Marketing and distribution
- Pricing
- Population and end-users
- Five-year forecasts
- Machines available
- Manufacturer and importer contact details

COUNTRY ANALYSES

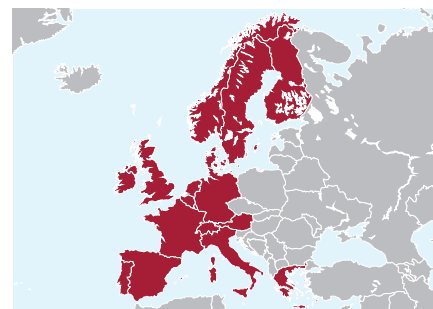

In-depth reviews for 17 equipment types in the smaller volume countries. Coverage includes:

- Market size, structure and trends by product
- Domestic production
- Market shares
- Forecasts
- Distributor profiles

COMPANY PROFILES

Objective analyses of major construction equipment manufacturers or component suppliers. Typical coverage includes:

- Company history, ownership and structure
- Financial analysis
- Manufacturing facilities
- Corporate strategy
- Production
- Sales and market share
- Marketing and distribution
- Product range

EQUIPMENT COVERAGE

- Agricultural tractors
- Articulated dump trucks
