THE INDIAN SERVICE

An annual subscription to Off-Highway Research's Indian Service unlocks access to the full library of more than 45 regularly updated equipment analyses and company profiles. This puts more than 2,500 pages of data and expert analysis at your disposal. The Indian Service also includes monthly market reports containing news and detailed analysis from the industry. The fully searchable archive goes back to 2008.

All reports are accessed in PDF format via Off-Highway Research's online portal and include embedded Excel files, which allow for easy extraction of data for further analysis. The service includes:
